The Case Fairly Stated

It is generally desirable, in matters of great importance, always and especially to keep constantly in view the leading principle by which the question that is under consideration is to be decided. In politics as in all other affairs men err mainly, because they lose sight of original and underlying principles. Leaving the main question they dwell upon collateral and unimportant points, and hence they are soon found discussing, as our copperhead orators now [illegible] doing, which have no relation or at best, a very remote one, to the subject actually before them.

If our people keep well in mind the sole object for which they are contending, they cannot be imposed on or misled by those who put the case differently, and endeavor to [illegible] the question of American politics by [illegible] and needless refinements. The only point to be considered is: Shall the Union be preserved? If it is decided that it shall be, the course to be pursued is simple and plain. One of the political parties now before the country, and the only one that is uncompromisingly in favor of the Union, and will not entertain a thought of its being severed, is clear and explicit as to its position. That party declares that as the South began the war to destroy the Union, so by war if need be, shall the Union be restored and maintained. The creed of the opposition, or democratic party, is stated in terms [illegible] as obscure as that of Union men is direct and plain. "Conciliation" and "compromise" are the agencies democrats would employ, yet they do not tell us how they could offer the one or succeed in accomplishing the other. The trick has from the beginning been very apparent—so much so that if men whose device it is had not lost every principle of self respect and all regard for a reputation for honesty and veracity, they would not thus publish to the world their own disgrace and infamy, nor affirm their devotion to the Union when every act of theirs endangers its safety and renders more difficult its preservation.

"Democracy" is now, and has for three years been synonymous with infidelity to the Union. In some localities the "democrats" have gained temporary triumphs—though always advocating the war and by professing their devotion to the Union—but just as soon as their official career began they renounced the doctrines they asserted and by maintaining which they were elected, and showed themselves to be the enemies of the Union, by opposing every measure calculated to preserve it. Wherever "democracy" has been triumphant, there treason has been manifested. Wherever it has been unable to gain the ascendency treason has been rebuked by outspoken loyalty, and peace and order have been preserved.

Every voter at the coming election ought to keep always before him the simple proposition as to whether he desires the maintenance of the Union or not. If it is his wish that the Union be preserved he must look to it that he does not render his efforts to accomplish that object futile by voting with a party whose leaders are [illegible] hostile to the Union and to free government, and whose men [illegible] mark have proved at every opportunity their sympathy with the rebellion. Out of its own mouth do we justly condemn the democratic party. By its assertions and clearer still by its actions, that party stands committed of disloyalty. For the good of the Union cause it is as necessary to defeat the "democratic" party at the ballot box as it is to overwhelm the rebels in the field. Both are equally enemies of the Union. Lincoln must be re-elected not because he is the mere nominee of a party, but because he is the chosen representative of the national idea. The existence of the nation depends upon the triumph of the Union sentiment in November. May the faith this nation has in its future be strong enough to preserve it both against secret traitors in its councils and open and defiant foes in arms!

WATCH THE POLLS.—There are many coming into this State from abroad who are not entitled to vote at the coming Presidential election, who will probably be anxious to do so, and will do so if they are allowed.

The Democrats calculate much in the future on the reported emigration of thousands of [illegible] and actual secesh from Missouri and other Western States who are fleeing from the draft and the war, and will make valuable allies for the Oregon Democracy. Two thirds of these votes are considered copperhead, and it is the duty of all good Union men to watch that all such votes are [illegible] at the coming election. A law has just passed and has been approved, that requires 30 days residence in any county before the person can [illegible] the privilege of a vote. This act has gone already into effect, and taken with the requirement of six months residence in the State, is sufficient to secure the polls at the November election from being polluted by votes of men who may have in many instances thrown down [illegible] confederate musket or left off [illegible] bushwhacking, when [illegible] and [illegible] to take a hand in the politics of the loyal State of Oregon. Union men watch the polls!

PROPOSED ASSASSINATION OF FEDERAL OFFICERS.—Green B. Smith, one of the [illegible] at St. Louis, in answer to the question—[illegible] the secret assassination of any United States officers, soldiers or government employes [illegible] of the order?—answered: I have [illegible] in [illegible].

Doubtless [illegible] or [illegible] the best [illegible] Democrats, and [illegible] will vote with their Democratic brethren on this coast.

THE OREGON BRANCH MINT.—Telegrams from the State Capital, received in this city last evening by Messrs. W. S. Ladd, H. W. Corbett and H. [illegible], state that the memorial for Congress to [illegible] the Branch Mint at Portland, instead of at Dalles passed the House yesterday—thirty [illegible] in favor, four against. We have not [illegible] comment on the [illegible] deemed any were necessary. MEETING OF THE COMMON COUNCIL.—The regular weekly meeting of the Common Council was held at the Council Chamber at [illegible] o'clock [illegible] evening.

President McCraken in the chair.

The following members answered to their names—Councilmen Clark, [illegible], [illegible], Hoffman, Robertson and Sherry.

The minutes of the previous meeting were read by the Clerk and approved by the Council.

Petition of E. R. Scott for privilege [illegible] portion of Front street [illegible] referred to, in consequence of the [illegible] unfinished improvement of that street [illegible] discussion, which would undoubtedly [illegible] in favor of the granting [illegible] petitioner it was moved to lay upon the table.

Mr. Gratton supported the petition stating that the circumstances were not unknown to [illegible] and set forth the actual necessity for [illegible].

After protracted discussion petition was granted.

The resignation of Mr. Hoder [illegible] was [illegible] to the Council and upon motion accepted.

The committee on ways and means submitted a report in reference to the new assessment [illegible] furnishing duplicate copies, etc., in order that they may be adapted to the work of the new charter, which report was accepted.

The committee on accounts and current expenses, to whom was referred the matter of $125 for repairs of Engine No. 4, reported the amount being in excess of law, authorizing such matters and [illegible] recommended its reference to committee on fire and water. Report adopted.

The same committee recommended the payment of [illegible] to the contingent fund of the fire department, which was laid upon the table.

Lamp posts were authorized and gas to be furnished for the same, at the corner of First and [illegible] streets, at the corner of Second and Main streets, and at the corner of Third and Washington [illegible].

Warrants were ordered to be drawn in liquidation of claims against the city as follows: Joseph [illegible], rent of Engine room No. 3, $10; [illegible], rent of Engine room No. 4, $30; S. The Council proceeded to elect a City Attorney which resulted in the choice of J. M. Doyle, Esq.

[illegible] Adjourned.

THE TARGET EXCURSION.—The second annual target excursion of Company B, Capt. Mills, came off in fine style yesterday. The steamer [illegible] was [illegible] for the occasion, and started from [illegible]'s wharf, with the company in uniform, and invited guests, accompanied with the band, [illegible] selected on the east bank of the river [illegible] below the city. The shooting was 200 [illegible] with U. S. muskets, and the prizes awarded as follows: First prize—Silver medal [illegible] Jas. McGrath, awarded to Sergt. C. [illegible]. Second prize—Silver goblet, donated by [illegible] Olmstead, awarded to Corp. Wm. Patterson. Third prize—Gold sleeve buttons, donated by [illegible] Arigoni, awarded to Thomas [illegible]. Fourth prize—Basket of wine, donated by Mr. [illegible], awarded to Frank Dekum. Fifth prize—An order for a new hat, donated by Capt. Alex. Dodge, awarded to Corp. H. Cook, jr. Sixth prize—[illegible], donated by Mr. Jacob Frey, awarded to [illegible]. Seventh prize—A leather medal [illegible] stamped and inscribed, donated by [illegible] & Bailey, awarded to Frank Aiken. The day was enjoyed in the most happy manner, and the party returned in the afternoon.

[illegible] STREET SEWER.—A gang of the city convicts were employed in the construction of the Columbia street sewer yesterday, and the work will be carried on to immediate completion. This improvement has been very much needed. It was seemingly useless to do any part of grading on several of the streets below the point on Columbia street where this sewer is intended to head, as it was almost certain to be washed away by a freshet from the hills in the fall. With this sewer the water thus accumulated will no more trouble. [illegible] will find the way to the Willamette at the foot of [illegible] street, through the natural gully [illegible] in that vicinity.

MILL FURNISHINGS FOR GRAND RONDE VALLEY.—The Iron Foundry of Mr. Monnastes, in this city has just completed a fine set of mill machinery for [illegible] Baker & Reynolds of La Grande, who have [illegible] erected a building suitable for two run of [illegible] at that place, and soon the farmers of that valley will be sending their wheat [illegible] mill. We learn the present season has been favorable to crops in that locality, and many [illegible] of grain have been harvested. Another [illegible] step on the high road of progress in our [illegible].

APPROVAL OF THE NEW CITY CHARTER.—The new city charter has passed both branches of the Legislative Assembly, and on the 11th was [illegible] by the Governor. The new document [illegible] the 24th inst., Monday next. The Mayor has sent to the Capital for a certified copy [illegible].

A [illegible] RAFT.—The steamer John H. [illegible] arrived from Lewis river yesterday afternoon, having in tow a raft of logs sufficient to make 200,000 feet of lumber. They were for the mill of [illegible] & Stumper.

THE GLASS BLOWERS continue to draw full houses at their entertainments on Front street every afternoon and evening. They will exhibit to-day, as for several days past. See advertisement.

PACIFIC UNIVERSITY.—The friends of the Pacific University, at Forest Grove, are requested to meet at the Presbyterian vestry this evening, for the purpose of considering the present condition and wants of the institution. The President, Rev. Mr. Marsh, and other gentlemen interested will [illegible] and make statements of its affairs and prospects. We hope every friend of the school and [illegible] in Oregon, will feel an interest in the prospect and by active sympathy will [illegible] in making it full of vital usefulness to the State.

INDIAN OUTRAGE.—We learn from the Victoria [illegible] that five mill hands from Alberni [illegible] their way to Victoria in a canoe, were lately [illegible] by [illegible] Indians, who possessed themselves of all the men had, including the canoe, and then [illegible] them to depart for Victoria. The men reached Victoria in safety. They followed the beach for a distance of eighty miles, subsisting [illegible] the carcase of a deer and on mussels.

[illegible] AWAY.—The U. S. revenue cutter [illegible] has been ordered from Port Angeles to San Francisco. The Victoria papers speak in highest terms of the officers and crew.

[illegible] following from the Sacramento [illegible] of the [illegible] Chamber [illegible] New York [illegible] will be [illegible] everywhere, as he was at [illegible]

HOSTETTER'S
CELEBRATED
STOMACH BITTERS.

THE OPERATION OF THIS PALATABLE REMEDY upon the stomach, liver and excretory organs is [illegible] soothing and conservative. It regulates, recruits and purifies them. Dyspepsia in all its forms yields to its control and invigorating properties.

Invigorate the System.
Vigorous digestion and pure bile produce nutritious blood, and nutritious blood a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the digestion may be improved, the bile and other fluids of the body purified?

Dr. Hostetter's Stomach Bitters
Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which [illegible] strengthen every relaxed nerve, muscle and fibre, and brings the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.
The best means of imparting vigor to the broken-down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.
Debility, from whatever cause arising, may be cured, strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For Indigestion and all its painful effects, bodily and mental, they are a positive specific.

A word to the Aged.
In the decline of life the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters,
As an invigorant and restorative, immediate in its beneficial action, and permanent in its effects. It tones the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females.
Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which their sex they are subject. It cheers and enlightens the depressed mental powers, as well as strengthens the body, and its use is never followed by any reaction.

FOR THE FANCY — A RATTLESNAKE AND RAT FIGHT — The Nevada *Transcript* of Oct [illegible] says: A short but desperate contest came off at Blaze's Saloon on Thursday last between two rattlesnakes which are kept [illegible] and a large rat. The rat was placed in the cage [illegible] for a time a hull up among their snakeships. Soon both reptiles began to prepare for war. They coiled up head and tail erect ready for the conflict. The smaller snake kept up a continual rattling while the larger one kept perfectly quiet waiting an opportunity to strike. Both the snakes appeared nervous and excited. After considerable sparring the rat made a break for the smaller snake and seized him by the back of the neck. The instant the rat made this demonstration, quick as thought the larger snake struck the rat behind the shoulder blade. The moment the blow was struck the rat expired almost without a struggle. So soon was he killed that after having his mouth upon the smaller snake he did not inflict a scratch. Those who saw the fight speak of it as highly exciting and interesting. The snakes have been in the cage for nearly six months and since their confinement have eaten nothing.

A TERRIBLE AFFAIR — The *Territorial Enterprise*, (Virginia City) of October 9th, has the following:

Yesterday afternoon a lady was seen standing near a shaft in the eastern part of the city, tossing her arms and giving vent to many loud and distracted cries. Seeing her looking occasionally into the shaft and exhibiting so many signs of distress several men who were in the vicinity ran to her assistance. Observing their approach she ran to meet them. Her grief was so great that she could hardly tell what had occurred but they understood that some accident had happened at the shaft, and at once ran to it. Looking into the shaft which was only fifteen feet in depth, to see the child which they supposed had fallen into it, they saw only a little white, shaggy poodle standing on the bottom wagging his tail and looking wistfully up. There was some laughing but a ladder was procured and the precious [illegible] was soon again in the arms of his delighted mistress, who showered many kisses on his dusty cold little nose.

Josh Billings says that a reliable set of bowels is of more value than any quantity of brains.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATTENDED this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact it stands unrivalled as a remedy for the permanent cure for the maladies above mentioned and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS

And in every disease in any way connected with the disorder or decay of the Pro-creative Functions. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER,

Whether broken down by excess, weak by nature or impaired by sickness, the unstrung and relaxed organization is at once braced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The sinking, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step, [illegible] which was previously sunken in gloom [illegible] bright and [illegible] vigor.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING OR PAINFUL URINATING
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases and you will ever give praise to

CONSTITUTION WATER.

Males or Females.

Are you troubled with that distressing pain in the small of the back and through your hips? CONSTITUTION WATER will relieve you like magic.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern [illegible] remedial agent [illegible] article in Materia Medica [illegible] practical chemists [illegible] its effects upon the human system. It is to act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the [illegible] skill which have been devoted to its investigation it remained almost useless until Dr. Henry Anders [illegible] chemist of New York after years [illegible] discovered [illegible] to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This considered impossible by the scientific world is attested by certificates of [illegible] from Dr J. R. Chilton of this city, and Prof. [illegible] Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journal and the use recommended in practice. (See American Medical Monthly, July 6 1856, page [illegible])

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color, hitherto pale, relaxed and feeble, he becomes full, strong and florid.
